Dear Teresa,

I'm sorry for not getting back to you regarding our training session and apologies there have been no newsletters lately for uploading.

Fr Martin is keen to change the website entirely, so our current one was a bit on hold as a priority in amongst all the super busy things that have been happening around here!

Heaps of changes and upgrades taking place, you'll barely recognise the place next time you are here!

Love to catch up with you when you have time. Fr Martin is away from Thursday in Hong Kong for 10 days so things will be quieter and less tradespeople about the place.

I can do Tues, Thurs, Fri over the next two weeks so we can make a time and stick to it this time, I promise!

Please see this week's newsletter attached and I will work on the photos of Fr Martin as you are right, BK's pics must come down.

Have a lovely weekend.

Kristelle
